CHIDDINGFOLD GOLF CLUB

Our course at Chiddingfold designed 25 years ago by Peter Alliss has matured to become one of Surrey's most popular golfing venues.

In a fast changing world we try to offer a different more relaxed experience than a traditional golf club.

There are very few rules and everyone is welcome with the emphasis being on good value and having fun.

We offer completions and club handicaps and a range of membership options to suit most golfers.

Last but not least we have friends in nice places pleased to offer Chiddingfold members a great welcome and a big discount!

We are twinned with 2 fabulous courses Hamptworth in the New Forest and Estepona in sunny Spain

HAMPTWORTH GOLF CLUB

The Golf Course is one of the finest in the South of England and has hosted some major professional events.

Beautifully situated in the South Coast's famous New Forest, Hamptworth enjoys some of England's most enjoyable Golf, set in magnificent and ancient countryside.

The Course gently weaves its way through the ancient woodland of the Hamptworth estate, with nothing but your playing partners and birdsong and the occasional deer to keep you company.
