

# Chiddingfold Golf

## GOLF & BEER FESTIVAL

This weekend at Chiddingfold Golf Club we are hosting our first ever Beer & Golf Festival (a great combination) which is open to all without the need to play golf!

Our style is definitely relaxed with no aspirations to be a traditional style members club with unnecessary rules and committees. The course is now 20 years old and improving every year. Originally built to a very high specification by Peter Alliss with USGA greens and full irrigation.

We are now officially recognised as the best value golf in Surrey with the best terrace overlooking the course.

We would also like to thank the many local residents who play regularly, or just come in for breakfast, and have really helped to put us on the map.

As a 'Thank You' we are offering all golfers who live locally (within 5 miles) a great deal to come and play regularly with us – unlimited golf for the remainder of the year for only £200!
