

Welcome Back

Spring 2025

- **The Weather**, has slowed us down our plans in some areas but it is great to be back and summer is definitely on the way !
We have treated the problem we had in the greens at the end of last year which was mainly caused by Leather jacket crane fly (daddy long legs) eating the grass from beneath the surface.
The work on bunkers and pathways is getting underway and the planned work to extend/cleanout the lakes will begin as weather permits.
- **Our prices** – including green fees – will remain the same as 2024. Players Card + 5 day now available & 7-day summer membership from May onwards.
- **Our website** is always the best source for up-to-date information and we have launched a *Chiddingfold WhatsApp Channel* for our best offers and events which you sign up to in the clubhouse today .
- **We are pleased to announce** a new partnership with *Jason Callow Homes* who are based on the Costa del Sol and part of the family.
Jason will be sponsoring The Chiddingfold Open & San Miguel Scramble later in the summer. See our website for the latest property releases from *Jason Callow Homes*.
